Matters Arising:

Church Extension Table and Chairs

Madeline had found a supplier based at Stansted who could supply the table and chairs. This information has been forwarded to the PCC. The feedback we have received is that some PCC members wish to retain the existing wooden chairs currently kept in the choir vestry while others would wish to supplement the number of chairs required for the extension. Therefore the decision from the PCC is awaited. This item is carried forward.

Statement of Finances:

Madeline reported that the current account balance as at 15/8/2010 stands at £4,343.47.

Church Gates:

The Church gates are now completed apart from the carving of the inscription. The cost was £777.76 and the total received in memory of Sheila Rust was £762.80. The carving remains to be paid for, which the quotation from Brian Bain is £223.25 including VAT. Brenda has very kindly offered £100 towards the cost from the money remaining from the Shalford News Fund; the remainder shortfall will be picked up by FOSTAC.

Cheese & Wine - October

The Committee agreed that due to a number of events already organised for October, that the Cheese and Wine event would be carried forward to February 2011

Planning Shalford Fete 4/9/10

FOSTAC has been offered a brand new folding bike, to help raise funds for the Village Hall Children's Play Area. The committee agreed to use the treasure hunt map, with each square costing £2.50. It was noted that the Fete starts at 1.00 pm, the committee were asked to arrive at 12.00 midday.
